About Me

Hello, I'm Abdus Samad, an experienced MERN stack developer with a diverse skill set that extends to PHP, C++, C, Python, and Next.js MERN Stack. I thrive on the dynamic challenges of web development and have a passion for crafting robust and scalable solutions that empower businesses and enhance user experiences.

Professional Experience

Freelancer
2023 – Present

Key responsibilities:

- Developed and maintained responsive websites for clients, ensuring optimal performance and user experience.
- Utilized HTML5, CSS3, and JavaScript (including ES6) to create visually appealing and interactive web interfaces.
- Collaborated closely with clients to gather project requirements, provided regular updates, and incorporated feedback.
- Demonstrated problem-solving skills by resolving coding issues and optimizing website performance.
- Managed project timelines, task prioritization, and budget tracking for multiple freelance projects.
- Built strong client relationships, resulting in repeat business and referrals.
-

Computer Operator – Malik Cyber Cafe
2019 – 2022

Key responsibilities:

- Operated and maintained computer equipment and peripherals in a document center environment.
- Executed document scanning, printing, and photocopying tasks efficiently and accurately.
- Assisted customers in using computer systems and software, providing technical support as needed.
- Managed document storage, organization, and retrieval procedures, ensuring data integrity.
